CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

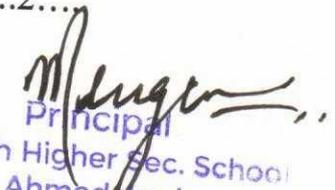

This is to advise that we have been Consulting Engineers and Architects for M/s. Prakash Trust for the existing School Building of M/s. Prakash Higher Secondary School located on Final Plot No.474 of T.P.Scheme No. 1/B at Vastrapur, Ahmedabad, which has been completed since about twenty years.

The building consists of Part Basement, Ground Floor and three upper floors having the total built up area of 8868.54 sq.mts.It is a r.c.c. framed structure building . There is an auditorium with balcony on South side of the building.

The above building has been constructed under our plans, designs and supervision in the year around 2003.

Ahmedabad

..... 2

During all these years, the building has satisfactorily performed for the purpose of which it is designed.

Recently, we have inspected the above building and have not found any deformation or cracks anywhere in the building. There are no deflection of r.c.c.slabs, beams, etc.

In our opinion, therefore, the building is safe and stable for the purpose for which it is designed.

Thanking you,

Yours faithfully,
For Argon Engineering
